SUMMER HOLIDAYS 2021 CHILD CARE AT BSO BOON

Mostly your child has longer summer holidays than you have days off. Of course it is a pleasure to do things together but your time is limited. How do you prevent that your child plays the whole day computer games or is all the time looking for things that interest him/her on social media, YouTube or TikTok? Especially the summer months invite to being outside in the open.

This is where BOON comes in to help. Children without a regular contract at BSO BOON are invited to participate in all the day programs at BSO BOON during the summer holiday 2021 from Monday July 12th. till Friday August 20th. from 8:00 PM up till 18:30 AM!

Of course, if the government allows it we will make day-trips to for instance: *Linnaeushof, Drievliet, Duinrell, Artis, the Amsterdam forest, the Children's farm near to our BSO, the beach at IJmuiden...* Everything is possible during the summer holidays child care! Please be aware of the fact that some of the daytrips are not free of costs. We will let you know each time if and what costs are involved.

Be fast and fill in the reservation form to book!
